The Comptroller ~~has~~ returned
these bills under the circum
-stances explained below:

(2) In the establishment
bill (No I above), the
Special rates of mileage
and daily allowance
provided for journeys to
and from Coty are
claimed for the journeys
in certain hilly tracts
of Tirupati Tope Kodaikanal
and

Nevara Elya. and first class Steamer fare on behalf of the marginally noted two officials for the journey between Jaffna and Colombo. The Comptroller to whom the bill was forwarded for audit, requested to be informed whether the above rates claimed might be admitted and invited reference to art. 1110 of the British Civil Service Regulations, according to which the officials for whom 1st class steamer fare is claimed, are entitled to only 3rd class accommodation as their pay is less than Rs 100/-. In reply the Comptroller was requested to report whether the hill stations referred to in the bill are embraced in the group

× (1) B. Sheshagiri Rao clerk on Rs 60/-.
(2) R. Shamashastry Asst curator Oriental library Mysore on Rs 60/-.

(3)

group of malnad tracts
for which special rates
of travelling allowances are
prescribed in the British
Civil Service Regulations
and what rates of fare
were allowed on previous (4)
occasions to the class of
officials now referred to
for steamer journeys between
Madras, Calcutta and
Bombay. The Comptroller
reports that with the
exception of Kodaikanal
in the Madura Dt, the
other places referred to, in
the bill do not come
among the group of malnad
tracts and that among the
clerical staff that went
to Calcutta during
December 1899 to Feby 1900,
2nd class steamer fare
on behalf of C. E. Rama
Row, clerk on Rs 30/ and

3rd

3rd class Steamer fare on behalf of D. Giriappa — camp Muttuddy on Rs 20/- were claimed and passed as the classes of accommodation provided for them were in accordance with arts: 1110 and 1111 of the British Civil Service Regulations.

(5)

(3) In the Civil Surgeon's bill (No. II above), ~~above~~: ~~Kodaikanal~~ the following charges are made: —

(a) actual charges paid for the journey from Tirupati to Hill Tirupati and from Hill Tirupati to Papanasam and on to Chandragiri

(b) With regard to the journeys to Kodaikanal Nevara Elya tea mileage and batta at the ordinary rates are claimed.

(c) As regards steamer journe double the actual

Steamer

Steamer charges are claimed.

(d) Mileage even for marches of less than 20 miles is claimed

The Comptroller in returning this bill takes objection to item (a) above and requests to be informed whether actual charges claimed may be admitted as a special case. The other items are not touched upon by him. As regards item (c) it is submitted that on the analogy of the British Civil Service Regulations, which the Comptroller applies in the case of the other bill relating to the establishment, Mr Krishnaswami Iyer will be entitled to the amount of passage money

(b)

(7)

money actually paid for accommodation but not double that amount — (art 1110 of the B.C.S. Regl^ns). Regarding item (d) it is submitted that mileage in lieu of daily all^ce is admissible only for marches of more than 20 miles a day (art 561 (ii)); but as a special case officers whose duties ordinarily require them to travel throughout the Province, may draw mileage even for marches ~~of~~ for not more than twenty miles a day (art 562). The mileage claimed by the Civil Surgeon is allowed only in the case of officers whose salary does not exceed Rs200/- a month and that too with the general or Special Sanction of Govt (art 563 A).

4. The Mysore Service Regulations do not provide for journeys undertaken by steamer. The only authority for refee is Govt Pro: Camp No: 543 d: 27-6-94. In this Pro: it was ordered that the allowances prescribed for journeys by railway might apply for — Steamer journeys as well and that double Steamer fare be paid when the accommodation was obtained at — private expense and Single fare when accommodation was provided at State expense. On the Strength of this Pro: first class Steamer fare is claimed

in

in the establishment (No. I) bill in question. In para 3 of the said Pro: the Comptroller was requested to submit draft of the rules he would propose to govern such cases in the future and to be introduced into the Mysore Service Regulations. Draft rules have not yet been subd and introduced into the Mysore Service Regulations.

Dear Major Smyth. (5)

You will no doubt be glad to hear that as recommended by you and Col. Benson, Mr. S. S. Krishnaswami Iyer, Asst. Surgeon has been promoted to a Civil Surgeoncy on 400 Rs. a month and appointed medical officer of the Kolar Gold Fields. The Dewan desires me to enquire when Mr. K. Iyer is wanted at the Gold Fields. He thinks that the medical arrangements for the Bangalore City over which is now passing a wave of malaria are insufficient and that it would be a pity to send Mr. Krishnaswami Iyer away at once. He would be glad to have your views on the subject and he would like also to keep Mr. K. Iyer here until when adequate and satisfactory arrangements are made for meeting the actual requirements of the city. Your proposals on the latter point will receive immediate attention.

(10)

With kind regards.

Yours very sincerely
sd C. Srinivasiengar

P. S.

Is Hospital and House accommodation at once available at the Gold Fields?

Id C.S.

Bangalore

My dear Mr. Srinivasengar (7)

Yours Urgent 21st inst. I am very glad to know that Mr. Krishnaswami Iyer is promoted - he is a sound man - plenty of grit - and I really think conscientious. The proposal to make him Civil Surgeon Kolar was also Col. Benson's - an excellent choice if there was really scope for him to work. But there is no hospital, and no house he can call his own - and I think the requirements of the field are for the present at any rate sufficiently well provided for by the present incumbent. My idea would be to allow things at the Gold Fields to remain as they are, and post Mr. Krishnaswami Iyer under the Civil Surgeon there for General duty. I find the Civil Surgeon's time is spent running about the town on health duty. Where he has time for efficiently carrying out his Jail and Hospital duties is a mystery to me. But so while the health of the City remains in its present dubious condition Mr. Krishnaswami were placed under the Civil Surgeon's orders to be employed by him as he might think best for the General welfare - between the two of them - I believe the Health (11)

requirements of the City would be fairly well supplied. At present Mr. Krishnaswami is posted to Head Quarters Establishment: but I think he could equally well carry out such duties as are now required of him at Head Quarters were he placed under the Civil Surgeon as I have proposed. His orders might be made to include "such duties with Head quarters staff as may be from time to time required of him."

(12)

I note he is made a Civil Surgeon of 3rd Class although I find only two Classes hitherto recognized. I gather therefrom that Government thereby Constitutes a grade of 3rd Class Civil Surgeons with Rs. 400

Believe me

Sincerely Yours

St. J. Hooper Smyth

My dear Srikantheswaraiya

I have to dispose of some travelling allce bills submitted for the Civil Surgeon (Mr. Krishnaswami Iyer) etc who accompanied Sir. K. Seshadri Iyer in his trip to S. India etc. The bills are countersigned by you. The office cannot trace any order authorising this deputation.

Note

Letter No. 3433 dated 19th December 1901 from the Senior Surgeon and Sanitary commr with the Govt of Mysore

(27)

With the above, the Senior Surgeon forwards a supplemental travelling allce bill of ~~the~~ Civil Surgeon Dr E. S. Krishnaswami Iyer as called for by the Comptroller in his letter No. 2696 d: 30th Octr 1901. In this bill the Civil Surgeon claims mileage for marches of not more than 20 miles a day, which was disallowed under art: 561 of the Mysore ~~&~~ Service Regulations. He urges that such mileage is admissible to him under art 562 and was on several occasions granted to him when doing duty at the Head Quarters estbt, Bangalore.

Art: 562 allows such mileage to Provincial Offrs on

non-gazetted officers and
menial Servants accompanying
them, officers on transfer,
and Hospital Assts travelling
on duty. On a refce to the
Civil lists, it appears that
when, in Octr 1900, Mr
Krishnasami Iyer accompanied
the late Sir K. Sheshadri Iyer,
he was attached to the
Bangalore Dt and Mr B.A
Raghavendra Rao to Head
Quarters estbt. But Lt-Col.
Smyth in his D.O ⊗ d: 26/7/00
has stated as follows:—
"At present Mr Krishnasami"
is posted to Head Quarters estbt"
but I think he could equally "
well carry out such duties "
as are now required of him at "
Head Qrs were he placed "
under the Civil Surgeon as "
I have proposed to."

It is thus not clear whether
he was or was not in charge
of Head Quarters' estbt in Octr 1900
& he was and had accompanied
the late Sir K. Sheshadri Iyer
as such, the claim seems
admissible. May the Senior

Sir,

With reference to your docket No.458/P&A12 dated 11th July 01 returning the Travelling allowance bill of the Establishment of the Devan's Office from September 1900 to January 1901 and enquiring, whether the hill stations referred to are embraced in the group of Malnad tracts for which special rates of Travelling allowance are prescribed in the British Service Regulations and also the rates of steamer fare allowed on previous occasions to the class of officials now referred to, when they travelled to Madras, Calcutta &c, I have the honor to state that Kodaikanal in the Madura District is stated to be a Hill station vide page 72 of the "Madras Supplement" to the Civil Service Regulations. The other places do not come among the group of Malnad tracts.

As regards steamer fare, I beg to state that among the clerical staff that went to Calcutta during December 99 to February 00, 2nd class steamer fare on behalf of C.E.Rama Row clerk on Rs.30/- and 3rd class fare on behalf of D.Giriappa, Camp Mutsaddy on Rs.20/- were claimed and passed as the classes of accommodation provided for them were in accordance with Art:1110 &1111 of the Civil Service Regulations.

I have the honor to be,
Sir,
Your most obedient servant,

Section 11.— Travelling by Sea, or River.

Scale of Accommodation.

1110. The allowance admissible to an officer when travelling by sea or in a river Steamer, is either free accommodation on the under mentioned scale, or the amount of passage-money actually paid for accommodation on that scale:—

(a) Officer of the first class.— First class accommodation for himself, and lowest class accommodation for two or (if the officer's salary is not less than Rs 1,000) three servants.

(b) Officer of the Second or Third class.— Middle or second class accommodation for himself and lowest class accommodation for one servant.

1. If there are only two classes of accommodation in a Steamer, an officer of the second class is entitled to accommodation by the higher of the two classes, and an officer of the third class

class to accommodation by the lower of the two. If there are four classes of accommodation, an officer of the second class is entitled to second class accommodation and an officer of the third class to third class accommodation.

(c). Officers of the Fourth class -- Lowest class accommodation.

1111. The preceding Article is subject to the following provisions:--

(a) An officer of the second class whose pay is not less than Rs 200 may elect for any journey to claim accommodation under clause (a), in which case he will also cause under the other rules in this Section applicable to first class officers.

Correspondence ending with letter No. 810/38 d: 1st August 1901 from the Comptroller to the Govt of Mysore regarding certain items of claim made in the travelling allce bill of the Dewan's office establishment for the months of Septr 1900 to January 1901 amounting to Rs. 1412-5-8 and in that of the Civil Surgeon Dr E.S. Krishnasami Iyer for the same months for Rs. 1064-6-8.

5705 Rs 400 d 2-10-01

The Comptroller returns unaudited the two bills referred to in the correspondence read above and requests orders on the following points:—

(1) Whether clerks Sheshagiri Rao and Shama Shastry may

may be allowed for their journeys to certain hill Stations in Southern India and Ceylon the same rates of mileage and daily allce as are provided for journeys to Ooty, as per memo of Sanction at foot of the bill.

(2) Which class of allce should be allowed to them for Steamer journeys from Tuticorin to Colombo, the officials having claimed the 1st class (upper of the two classes available fares.

(3) Whether the actual charges viz Rs 23/- claimed by Rao S. Krishnasami Iyer for his journey from Tirupati to Hill Tirupati and from Hill Tirupati to Papanasam and on to Kanchagiri Station may be admitted as a special case.

With regard to point (1) the Govt observe that the Special rates provided for journeys to Ooty cannot

cannot be made applica
-ble to the journeys to
~~the~~ hill stations in Southern
India and Ceylon referred
to in the bills. and the
Comptroller is accordingly
requested to ~~disallow the~~
~~Special rates charged and~~
~~paid~~ par travelling all^ces to
the officials concerned at
the ordinary rates. Re the
2nd point, the rules are
clear and do not seem
to call for any Special
orders. The two officials
are clearly defined in
art 521 of the Mysore
Service Regns as offrs
of the 2nd class. The
class of accommodation
and all^ces prescribed
by this art. for journeys
by rail were by Govt. Pro:
Camp No. 543 d: 27-6-94
made applicable for
Steamer journeys as well.
It is therefore not clear
why the upper class
all^ce, authorized by
art. 521 Should not be
allowed to the officials

in

in question. ~~In these cases~~ Govt are pleased to direct that the double 1st class steamer fare claimed by the officials may be ~~accepted by the Comptroller~~. The Comptroller is requested to pass the item accordingly

As regards point (3), it is observed that in the light of the observations above made in connection with point (1), travelling allces at the ordinary rates may be passed to the Civil Surgeon Dr. S. S. Krishna-Sanidyer for his journey from Tirupati to Hill Tirupati and from hill Tirupati to Papunasam and on to Chandragiri station. Further in the bill of the Civil Surgeon, double steamer cabin fare for steamer journeys and mileage for marches of not more than twenty miles a day, for road journeys are claimed. These are inadmissible, the former under Govt Pro: No. camp No. 543 d: 27-6-94 and the latter under the codal rules. Under the said Pro:

the

the Civil Surgeon
entitled to only double the
1st class or where there
are only two classes, the
upper class steamer fare.
The two bills received from
the Comptroller are herewith
returned to him for correction
in the light of the
above remarks and audit.
